WHAT IS THE MZF? (Midwest Zonal Forum)

The Midwest Zonal Forum was formed at the 1987 World Service Conference of Narcotics Anonymous with the intent of facilitating communication between NA regions in the Midwest.

Today, participating regions are Buckeye, Chicagoland, Greater Illinois, Indiana, Metro-Detroit, Michigan, Ohio, Upper Midwest and Wisconsin.

THE MIDWEST ZONAL FORUM:

- Provides an opportunity for discussion and exchange of information on problems and issues confronting Narcotics Anonymous.
- Facilitates communication, cooperation, and growth among regions in the Midwestern United States and between the regions and NA World Services.
- Helps regional delegates prepare for the biennial World Service Conference and learn from each other, former delegates, and other experienced trusted servants.
- Assists local NA members or communities who have questions about NA service or how to handle challenging situations.
- Conducts workshops and learning days on various topics in NA service.
- Sponsors multi-regional events with participation from NA World Services.
- Serves as a point of contact for public information requests.

WHERE AND WHEN DOES THE MZF MEET?

The Midwest Zonal Forum (MZF) meets at rotating locations throughout Illinois, Indiana, Michigan, Minnesota, Ohio, North Dakota, and Wisconsin.

For upcoming meeting information, visit our website at <http://www.mzfna.org>

WHO PARTICIPATES IN THE MZF?

Membership is open to any interested NA member. Generally, each participating region sends their Regional Delegate (RD) and Alternate (RDA) to meetings of the Midwest Zonal Forum. In addition, the MZF elects trusted servants. Usually these positions are filled by former Regional Delegates who have experience at the Midwest Zonal Forum. Regional Delegates are selected by their regions to participate, not only in the MZF, but also the World Service Conference. Because of this, the Midwest Zonal Forum consistently has a core of experienced and highly-trusted servants.

MZF SERVICE MAILING LIST

The MZF Service Mailing List works independent of the website. It's solely an email-based discussion for Midwest Zonal Forum (MZF) members. The list can be subscribed to with any email address, but the subscribed address is the only one that can send new emails to the list. If you have multiple email addresses, be sure to subscribe with the one you wish to use for correspondence with the Service Mailing List.
